

MINI COMPANY

2024 - 2025

Mini Company provides a nurturing setting for dancers, age 4-5, to develop their dance skills, teamwork, and stage presence while having fun performing with a team. The Mini Company will have a weekly class where they learn and practice dances for performances. Throughout the year they will perform at fun local events and attend 2 team competitions. All expenses are conveniently combined into 1 monthly fee.

Mini Company is a new introductory level of the Ovation Studios Performing Company. Throughout the season mini dancers will be included in events and with the full company.
