Students will wear their hair in a ballet bun for the recital. Recital 1-5 will wear a “high bun” and Recital 6 a middle part and “low bun.” Students only in Hip Hop or Tumbling may wear their hair in a “high ponytail.”

How to Style Hair into a Bun

It is easiest to manage hair that is damp and has gel worked through it before trying to secure back into a bun. Never try to put dry hair up in a bun – especially with children with fine hair. Work with dampened hair that has a sticky gel worked through before combing back

- 1) **Slick Bangs off the face:** This is very important onstage and will require that you use the damp hair/ wet gel method described above for short or long hair to get the bangs back. Bobby pins may be necessary; however, if the hair is wet and gel applied, it will help to keep it sufficiently off the forehead. **ALL STUDENTS MUST HAVE BANGS OFF THE FACE**
- 2) **Secure hair into a ponytail:** On very damp hair thoroughly apply a thick gel to slick the hair and make it workable. After applying gel and with hair still damp, brush back into a ponytail at the crown of the head (back top of head) and secure with a strong hair elastic. Looking from the front the bun should partially show over the top of the head.
- 3) **Twist hair into a bun:** Depending upon the length of the hair, twist in a circle around the elastic and secure all loose ends with bobby pins until there are no loose or unsecured areas of the bun. (It takes quite a few bobby pins to properly secure a bun.)
- 4) **Use a hair net for a neat bun:** Hair nets can also be used to secure loose hairs and help create a neat looking bun. Use a fine hair net that matches closely to your student’s hair. Wrap the hair net around the bun and twist, tucking the elastic under the bun. Continue wrapping and twisting securing all hairs into the bun.
- 5) **Finishing touches:** Smooth back any fuzzy or loose hairs. Additional bobby pins may be needed around ears and at the nape of the neck. Spray head and bun with hairspray to finish. If applicable, secure costume headpiece or hat as instructed by the teacher on costume information sheet.

Note for Recital 6: Students performing in the 7:30pm recital will wear their hair with a middle part and a low bun. The advanced classes performing in multiple shows will wear their hair this way for all shows throughout the day. This is only for students whose main recital is 7:30pm Saturday. Younger PC students who are only doing PC dances in this show should keep their hair in a high bun, the same as previous shows.

Note for Performing Company Dancers: No hair changes for PC dances. Wear hair in a bun for all recital pictures and performances.

MAKEUP INSTRUCTIONS

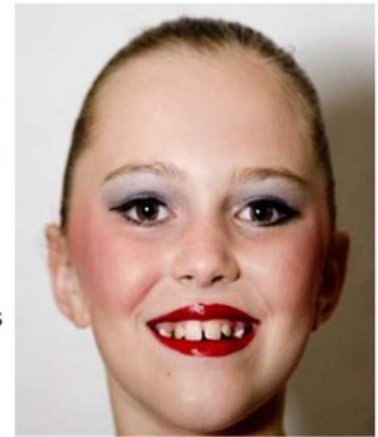

Makeup may be applied at your discretion for children under age 6, however, under the bright stage lights, facial features wash out and makeup helps the audience to see the performer's faces and expressions more clearly. What looks like a lot of make-up in regular light, does not on stage. Good stage makeup will look very exaggerated, dramatic, and bold. For recital pictures in April lighter make-up may be applied.

For dress rehearsal and recital in May we suggest:

1) BASE: (foundation) is not necessary for most very young children. However, if you use it yourself and are comfortable applying a light cover, you may. Be careful when putting a costume on, as it is easy to soil it with foundation, etc. Use foundation only if you are comfortable with it.

FOR AGE 10+: Please apply a light toned foundation as a base for your makeup. Apply only on full face down to, but not including, the neck area. Let dry thoroughly before proceeding.

2) EYE SHADOW: Use light colored eye shadow only. Dark colors make eye disappear. Colors are not necessary, however, pale pastel colors in any shade will do. For example, nude to white, very light green/blue/lilac. Go easy with browns, however, for teens if you know how to apply a brown accent line you may at the crease of the eye, however, dark shades on lids or up to area under brow are inappropriate. A light highlight shadow from eyelid to eyebrow is desirable.

3) EYELINER: Please use a dark brown/black pencil liner along lower lid of eye just below where the lashes grow on lower lid and just above lashes on upper lid. If the child is too young to handle this application, you may omit it. For all children age 6 and older, please be certain to have eyes lined.

4) EYEBROW PENCIL: Please use a medium brown pencil for eyebrows only if the hair color is very light and looking directly at the face of the dancer the eyebrow is not clearly defined. If eyebrows are dark enough naturally, no pencil is necessary.

5) MASCARA: Please apply thick layer of heavy black mascara to upper and lower lids; however, this may not be tolerated by very young students and you may get by with just liner. TEEN STUDENTS should apply false eyelashes for maximum effect on stage. Simply buy thick black lashes with adhesive, trim to fit and follow instructions. It is best to practice before the day of the show.

6) BLUSH: Apply rose or coral blush to hollow of cheek only—NOT over the cheek bone itself. Have dancer suck in cheeks and apply blush to area of the cheek that concaves. Enough blush should be applied to area of the cheek leaving the area over the cheekbone light and not colored at all.

7) LIPSTICK: Bright red lipstick is the only real color that is appropriate on stage. If the costume color is bright pink a very deep hot pink lipstick would be a better choice. For all other costume colors, a bright red lipstick is best.
